

JUAN MARTÍN MOLINARI

PASSIONATE ABOUT TRAVEL AND CHALLENGES.

Juan Martín Molinari has traveled the world, convinced that what is most valuable can be found in people and in nature. Each experience inspires him to keep discovering, and wine is part of that journey.

He is a lover of knowledge and passionate about learning, He holds a degree in International Relations from Universidad del Salvador, an MBA from Universidad Torcuato Di Tella, and a postgraduate degree in Strategy and Innovation from Stanford University. He is currently immersed in the challenge of completing his studies in Anthropology.

Throughout his career, he has followed his instinct toward finance, building a career of more than 25 years in international financial institutions and founding AdCap Securities, a leading financial services firm. His entrepreneurial spirit has driven him to create and invest in multiple projects related to technology, renewable energy, and the emerging green economy.

Family, friends, sports, and reading are also fundamental pillars in his life, and a constant source of inspiration and new perspectives.
